Primetime Santa, Rhymetime tempts ya

## What rhymes with Santa Claus ?

What rhymes with Santa Claus?

It's Mrs. Claus 🧑🏻!  
She takes care  
For all that's fair

Gifts she's wrapping,  
Shiny, popping  
While her hubby  
Keeps on rapping

"Ho ho ho,  
I'm good to go  
Sleebells, bows 📺  
Be ready, snow ❄️☁️"

## About the Reindeers

But not without Cheers  
To Reindeers

Do you recall  
What they are called?

Leave the brainwash,  
Mind my refresh,

*"Dasher, Dancer, Prancer,  
Vixen, Comet, Cupid, Donner,  
Blitzen, and Rudolph"*

But how about a secret deer  
, drawing's on the next page  
near

Santa's secret  
Mine might be  
a Qantas-ticket,  
Don't reveal it

Ho ho ho  
down under stroll  
Eventhough  
I'm coming home

Others want  
Iconic brands  
Bionic trends  
Imagined plans,

Send me to  
Iconic lands  
Just to meet  
Some long lost friends

This deer,  
Near, dear,  
I call her Peace,  
  
It's what she stands for  
What we stand for  
Or should stand for  
  
Peace for peace  
In all countries  
Fires, cease  
  
Choose  
Truce  
  
In Christmas mood
